THE 30TH ANNUAL MIDWEST BISEXUAL LESBIAN GAY TRANSGENDER ASEXUAL COLLEGE CONFERENCE

In October 2022, the Midwest Institute for Sexuality and Gender Diversity alongside a coalition of students from Midwest universities will host the 30th annual Midwest Bisexual Lesbian Gay Transgender Asexual College Conference (MBLGTACC) in Columbus, Ohio.

Through a mix of workshops, keynotes, entertainment, and social activities, over 2,000 queer and trans+ college students, faculty, staff, and community members come together to learn and grow through the knowledge and experiences of others. To date, MBLGTACC is America's largest and oldest continuously-held conference for queer and trans+ college students. And it remains proudly student-run. This year's theme is "Limitless: Queer Activism of the Future."

MBLGTACC is an invaluable opportunity to network with the Midwest's future leaders, and to contribute resources to connect with and provide educational programming for

queer and trans college students, advisors, and higher education colleagues in the Midwest and beyond.

Your support helps to offset the cost of registration on individual attendees and allows the conference to be more accessible, providing community and connection to the next generation of leaders in the movement for our collective liberation.
